Objectives :

- ✚ To facilitate up gradation of knowledge and skill.
- ✚ To enhance professional education and competence.
- ✚ To enriching the faculty vitality in key domain of teaching, assessing, research etc.
- ✚ To enhances the academic performance of learner.

The Faculty Development programme on Simulation based Education for All faculty members was held on 22/03/2022 - 23/03/2022, 09.00 AM To 05.00 PM at seminar hall and All nursing lab Godavari college of nursing, Jalgaon.

Simulator Instructor team from sandoor medicaid, Hyderabad were invited to train our faculties. Training session started with a brief orientation of various simulators and participants received hand on practices including video based simulation on the use of ACLS, BLS (Pediatrics and Adult) Male and female catheterization simulator, Advanced birth simulator, Central venous cannulation simulator and many more. Participants conducted simulation session independently under guidance of simulation Instructor. Thus highly appreciated the training and are confident to use simulation as a teaching method to the nursing students looking forward to conduct more such training programme for teaching faculties of Godavari college of nursing, Jalgaon. Vote of thanks was given by Ms. Rebecca Londhe M.Sc. Tutor, G.C.O.N
