# STRATEGIC PLAN OF GODAVARI COLLEGE OF NURSING

The Strategic plan for the college was developed to achieve its mission and vision. This was done by conducting a SWOT analysis of the college, after which strategic goals were formed, which set the guideline for preparation of the strategic plans.

## About the college

The institution is managed by Godavari Foundation. Godavari Foundation was established in the year 1993, by a group of renowned professional doctors & led by Dr. Ulhas Patil Ex-Member of Parliament, with a mandate to “serve the needs of the common peoples & societies in the Jalgaon Area of North Maharashtra”. The governing body of the foundation comprises of Dr. Ulhas Vasudeo Patil -Chairman, Dr. Subash Vasudeo Patil- Vice Chairman, and Dr. Varsha Patil- Secretary.

The **Godavari College of Nursing** was established in the year 2004 and it is approved by the Government of Maharashtra and Maharashtra Nursing Council -Mumbai, MSBNPE-Mumbai. The Institution is affiliated with Maharashtra University of Health Sciences- Nashik and recognized by the Indian Nursing Council- New Delhi.

Godavari College of Nursing, Jalgaon is a leading Nursing Institute in Maharashtra attracting Students from all over the state and country for its well-known excellence in providing education with excellent infra structure, well connected by public transport facilities, and other facilities. It is an ISO 9001- 2015 certified institution. The college prides itself on having parent hospital of 1087 beds apart from 120 well equipped ICU beds and NABL accredited labs. On graduation, students will be highly sought- after across many hospitals in India.

Our institution is running two Undergraduate courses that include B. Sc. (N) programme with an annual intake of 100 students, Post Basic B. Sc (N) programme with an annual intake of 60 students, three Diploma courses that include General Nursing And Midwifery (GNM) programme with an annual intake of 100 students , Auxiliary Nurses and Midwives(ANM) programme with an annual intake of 30 students, Post basic diploma courses in Psychiatric Nursing with an annual intake of 15 students and one Post Graduate Courses M. Sc. (N) with an annual intake of 25 students with all clinical speciality.

## **P**hilosophy

We the Godavari College of Nursing believes that nursing contributes to the health services in a vital and significant way in the health care delivery system. It aims at identifying health needs of the people, and providing quality care in collaboration with other health professionals and community groups. We also believe that nursing is based on values of caring. It necessitates development of psychology and understanding of human behavior to provide care with respect and dignity and protect the rights of individuals and groups. We believe in achieving and endorsing excellence in every area of its teaching, maintaining and developing its position as a world class college to enrich regional, national & international communities through the skills of its nursing graduates.

We accept that the teachers have the responsibility to be role models and create learning environment that enables students to acquire enquiry drives, self directed learning and an

attitude of lifelong learning. We accept the responsibility in helping the students to take pride in the profession and in guiding them with respect to their future in Nursing.

## **Quality Policy**

We the Godavari College of Nursing established to provide excellent, contemporary and service oriented education in the field of Nursing & Hospitality to our students facilitating them to always succeed in the Current Competition.

Further we are also committed to provide practical knowledge by familiarizing them in current trends in Various Nursing Science & Technological Streams.

We work towards enhancement of our student's satisfaction by adhering to our commitments & continual improvement in our quality nursing education systems.

## **SWOT Analysis**

### **Strength:**

1. Green and Integrated campus
2. Hostel and mess facility at subsidized rates are provided for students
3. Adequate infrastructure with well-equipped laboratories
4. Motivated and dedicated teaching and non-teaching staff
5. Clinical learning and rural outreach services

### **Weaknesses:**

1. Quality research and publications
2. MOUs with institutions of Higher Learning and Hospitals
3. Extramural funds from governmental and non-governmental organizations
4. Inadequate disabled friendly infrastructure.

### **Opportunities:**

1. Conduct quality research and publications
2. Availing extramural funds from governmental and non-governmental organizations

3. More MOUs with academic and research organizations for research collaborations
4. Attaining autonomous status
5. Interdisciplinary research and innovative teaching

### **Threat/ Challenges:**

1. To mobilize funding from various governmental organizations
2. Limited flexibility in curriculum design
3. Student diversity
